

MORGAN DELEGATION IS A UNIT FOR HOLIDAY

Enthusiastic Township Conventions Instruct Thirteen Delegates to the Congressman.

Special to the Indianapolis Journal.
MARTINSVILLE, Ind., May 14.—The Republicans of Morgan county held the largest and most enthusiastic township conventions in their history to-day for the purpose of selecting delegates to the Fifth district congressional convention to be held at Terre Haute next Tuesday. In Washington township (Martinsville) the courthouse could not accommodate the crowd that attended.
The Gully forces were unable to make a showing, and the delegation of thirteen is solid for Congressman Holladay. The delegates are J. M. Carlton, L. F. Kelly, H. C. Robinson, Thad. Bantz, from Washington township, and R. W. Brown, W. H. Kirby, F. M. Murdock, Dr. W. L. Thompson, Thomas Mills, Frank Oberchain, Justin Cagle, Perry Lankford and W. L. Moore from the out townships.

DIVORCE SUIT AS A BAR TO A MARRIAGE LICENSE

Woman Had Filed Suit in Two Counties and Forgot About the One at Terre Haute.

Special to the Indianapolis Journal.
TERRE HAUTE, Ind., May 14.—Mrs. Sadie Vunkanson got herself into what threatened to be a serious complication with the courts of two counties by instituting two divorce suits and trying to get a marriage license in one county when she had obtained a divorce in the other and had not dismissed the suit in the county where she asked for the marriage license.
A year ago she brought suit in this county for divorce from Richard Vunkanson. For some reason of her own she paid no further attention to the suit, but brought suit in Clay county, where she recently obtained a decree.
She came to Terre Haute this week and asked for a marriage license. The county clerk found the case pending in the Superior Court here, and she was refused a license. She told Judge Simson of her plight, and he consented to the dismissal of the suit if costs were paid. She paid what was standing against her as plaintiff and went back to Clay county.

NEW YORK MORMONS TO GO TO SALT LAKE

NEW YORK, May 14.—A committee of Mormons representing the Harlem colony in this city, probably the largest outside of Utah, has prepared to leave shortly for Salt Lake, where a favorable report will be made upon plans to build a temple here covering from six to twelve blocks. It is stated that options already have been secured on six plots near One-hundred-and-twenty-fifth street and Lenox avenue, and that the plan embraces the erection of a splendid structure as headquarters for the church in the East. The elders in charge of the church's interests here refuse, however, to discuss the matter.

INDIANA NOTES.

LAFAYETTE.—Walters and bartenders at Zetayette, to the number of one, are organizing a union, which will be affiliated with the National Bartenders' and Waiters' Association. The union is being organized by Logan, deputy state organizer, of Logansport, has been in the city several days perfecting the union, and has obtained a sufficient number of names to obtain a charter. June 1 is the date set for instituting the union.

LOGANSPORT.—Tom Isele, aged sixteen, and Clayborn Lewis, fourteen, were arrested on Saturday, charged with attempting to wreck a Wabash passenger train. The boys had placed large pieces of lead on the rails of the railroad bridge near town. They claim they put the lead on the tracks to flatten it, so it could be used for making telephone lines.

WABASH.—The annual convention of the German Baptist, or Dunkard, Church at Carthage, Mont., May 15 to 18 will attract a number of members of the church from this part of the State. A special train will leave here on May 19 for the accommodation of the Dunkards of northern Indiana and Illinois. At least fifty will go from this county.

TERRE HAUTE.—The city school enumerators have submitted their final reports, and the total shows a falling off of 132 from that of a year ago, at 11,250. The School Board makes no explanation. The recent city election, the new directory and the letter carriers' census all show a big increase in population in the past year.

NEW CASTLE.—In the case of L. C. Swallow, who applied to the Henry County Commissioners for a license to sell liquor in Knightstown, between 400 and 500 remonstrators were called to witness to their signatures in the Circuit Court, and a whole day was consumed in examining them. The license was not granted.

UNION CITY.—Winchester won the oratorical contest held here Friday night, the contestants being Miss Welby Watson and Miss Pearl Mae, of Winchester, and Miss Grace Castle and Austin Corbin, of Union City. Miss Watson is a near relative of Congressman James Watson.

RUSHVILLE.—The Grand Commandery, Knights Templars, has granted a dispensation for a new commandery in this city to be known as the Rushville Commandery. Earl H. Payne was appointed eminent commander, Oliver Ong generalissimo and E. H. Wolfe captain general.

RICHMOND.—A change of venue has been taken in the case of Fremont Clifford against the city of Richmond for fees alleged to be due for services as tax ferret. The case has been sent to Henry county. It has been eight years since Clifford was employed here.

HOPE.—The Hope Canning Company has begun the erection of the building for its new plant, and expect to have the factory ready for the sugar corn crop. The machinery will be of the latest and most improved patterns to be found on the market.

MISHAWAKA.—The Beatty Peltung Company, one of the largest felt boot plants in the United States, has increased its capital stock from \$50,000 to \$100,000. The factory is being enlarged.

TELL CITY, Ind., May 14.—Valentine Schwartz, aged fifty-three, died at his home here this morning, after a long sickness caused by paralysis. He left a widow and several children. Mr. Schwartz served several terms as city marshal as a Democrat.

James Dunn, rural free delivery carrier, went to Samsel station to get mail from the Cannon Ball. The train was a few minutes late and he walked up the track, lantern in hand. A few hundred yards from the station he found two railroad ties bound across the rails. He removed the

New Rose at New Castle.

Special to the Indianapolis Journal.
NEW CASTLE, Ind., May 14.—A new rose has been developed in the Peter Wieland greenhouse, of this city. The flower is entirely different from any other rose, and is very beautiful. It is a "sport" from a Bride rose, and one-half of each petal is white, while the other half is pink, the color of the Bride's dress. Cuttings have been sent to Chicago, and others will be cultivated here. Should the development of the rose prove what is anticipated the new variety will be worth several thousand dollars to the discoverer.
